

All Bell Moms are automatically members of the BMG!

## Who We Are

The Bellarmine Mothers' Guild (BMG) was founded in 1929 to help build a community between the faculty and parents. For over 90 years, we have offered a wealth of opportunities for mothers to share in their son's high school education, enrich the Bellarmine community, and foster friendships. Moms of all backgrounds, faiths, skills, & interests are welcome & encouraged to participate. The BMG hosts 60+ events throughout the school year. We're sure to have an event that appeals to you!

ALL MOMS ARE WELCOME! WE ARE BETTER TOGETHER!
